Il était une fois, 2 poissons
qui étaient dans un bocal :
Grand-père et Billy .
Grand-père parla à Billy de
l'océan .

Once upon a time, 2 fishes :
Grandpa & Billy were in a tank .
Grandpa told Billy everything he
knew about the ocean .

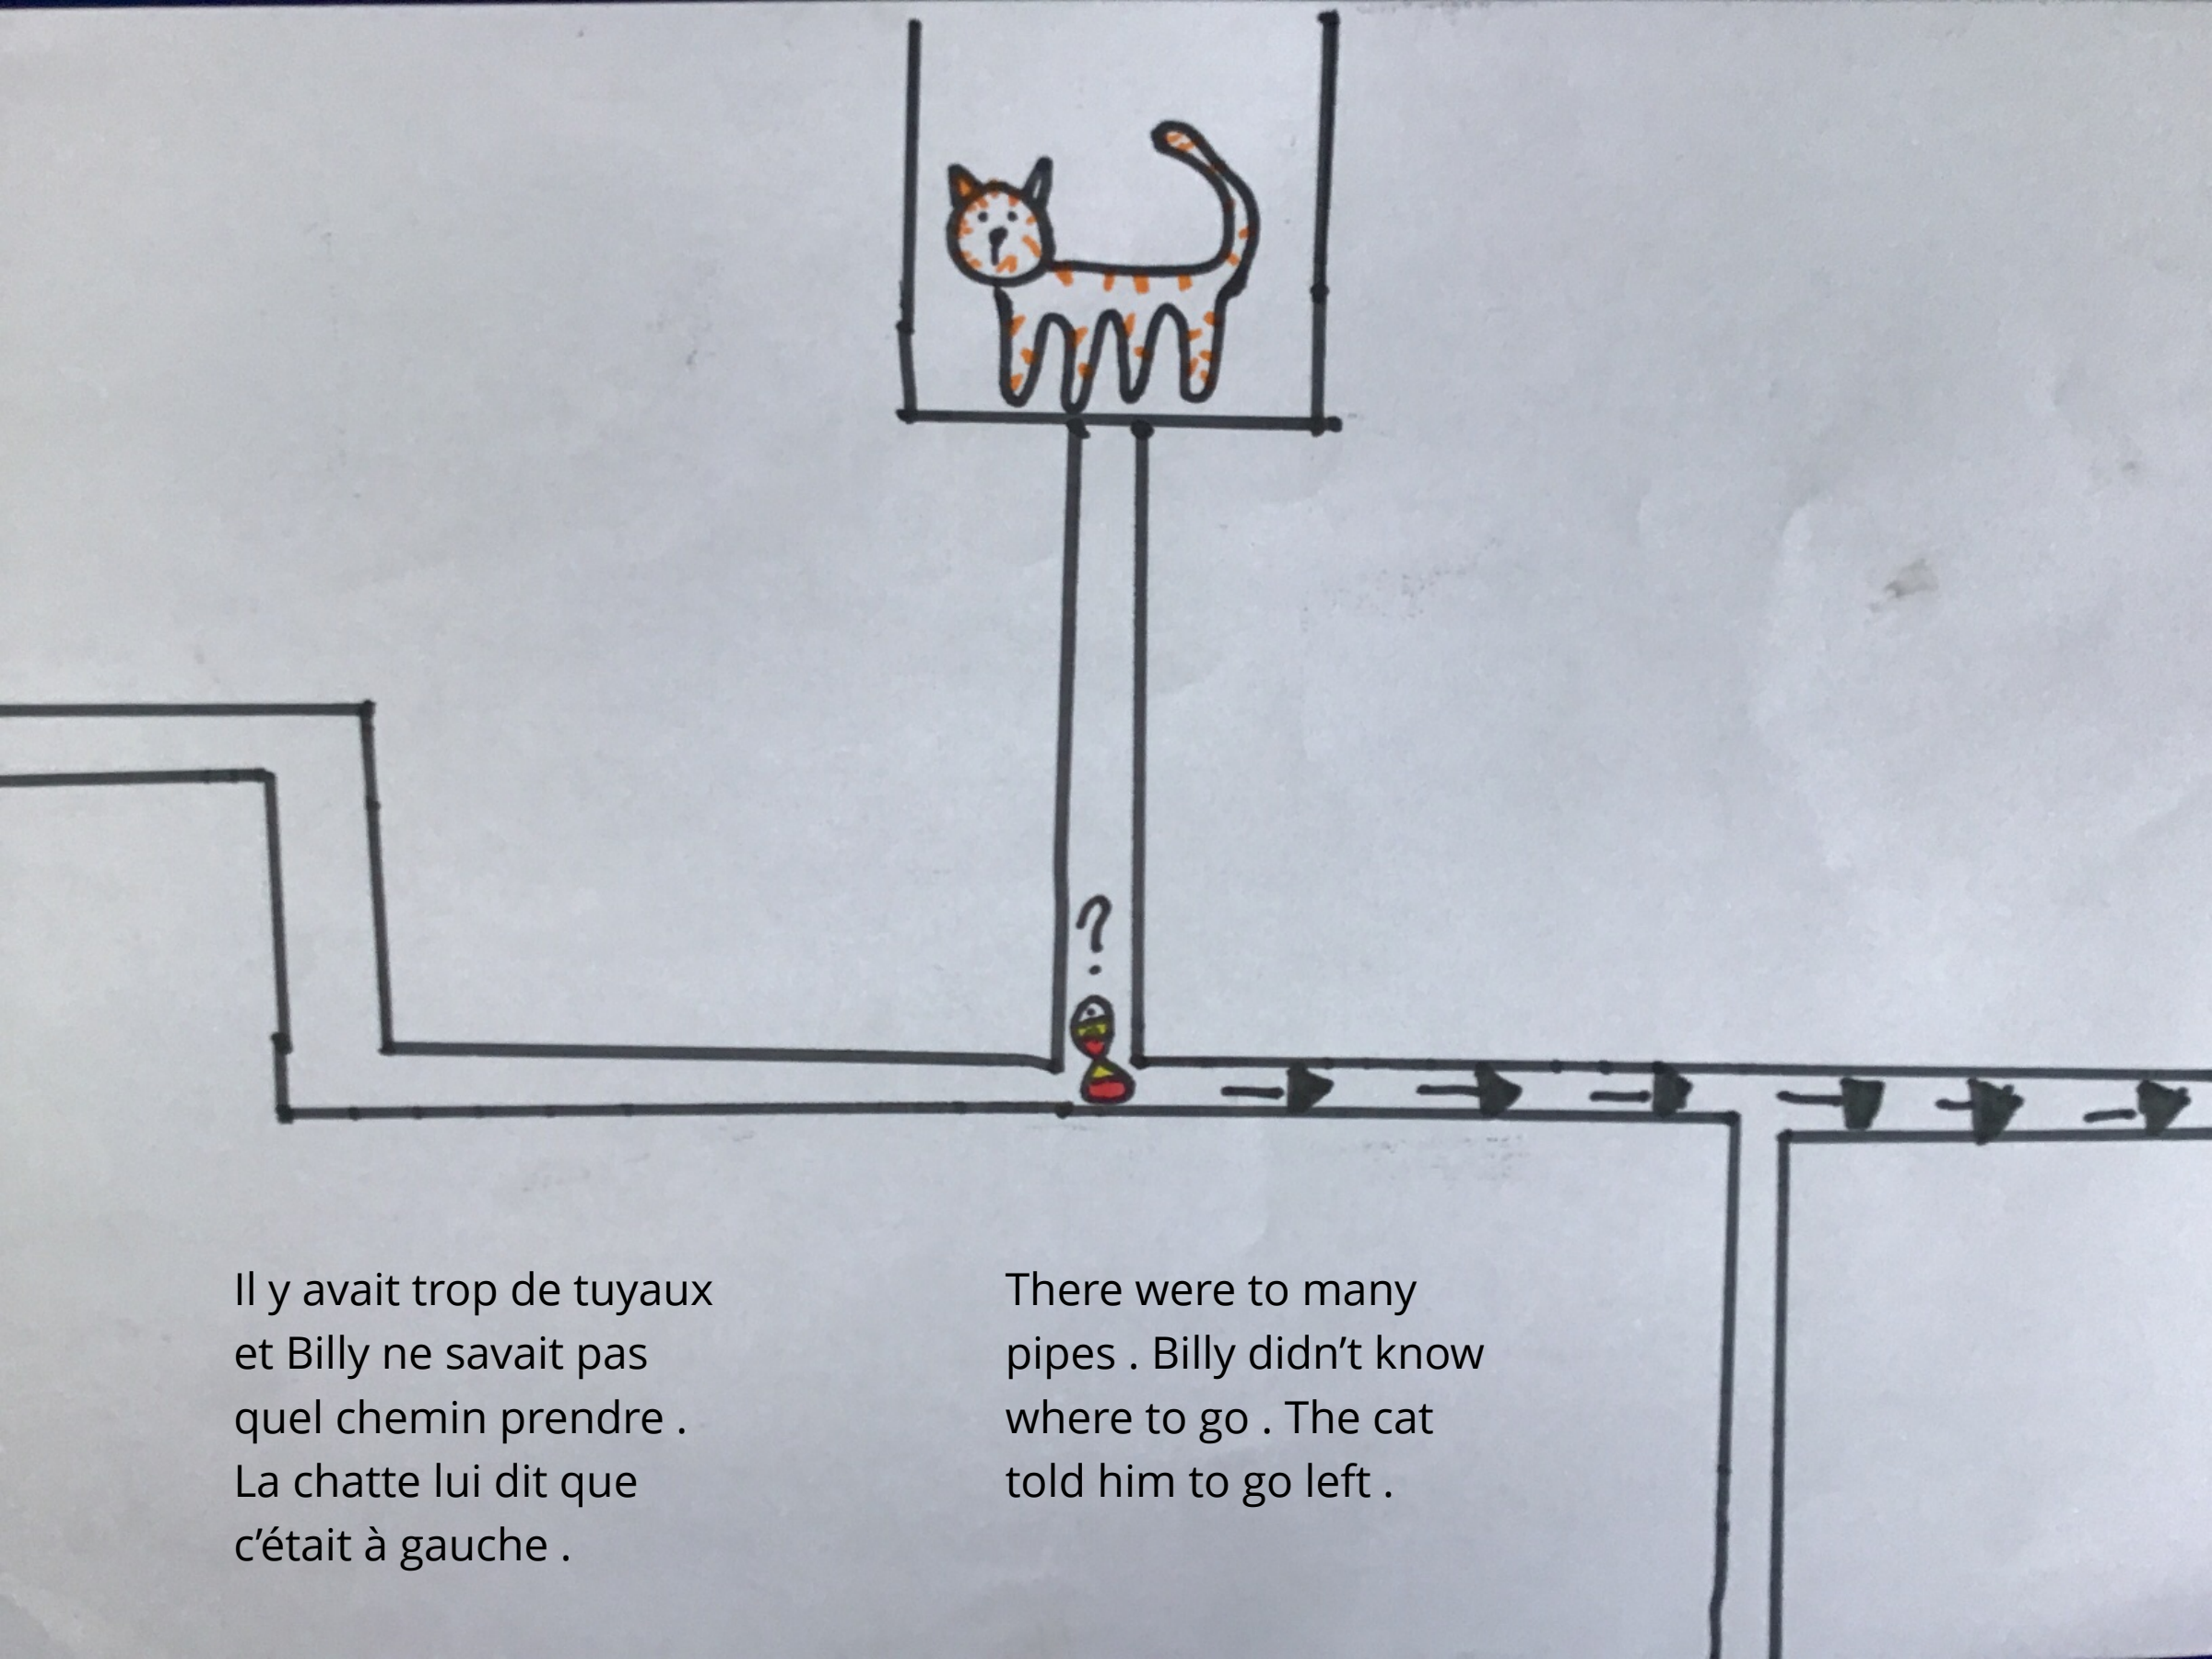

Billy regarda l'océan à
travers la fenêtre ,Il
rêvait de la liberté .

Billy watched the ocean
through the window.
He was dreaming of
freedom.

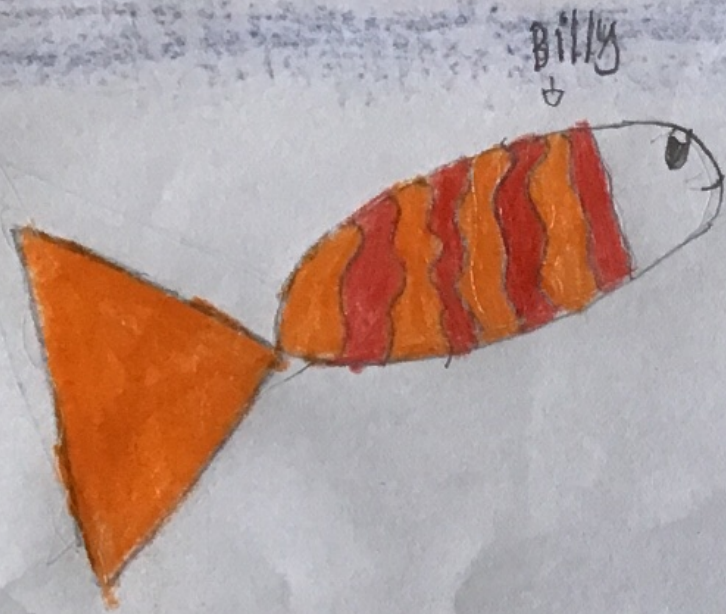

Billy était tellement excité
qu'il fit bouger le bocal et
tomba dans l'évier .

Billy was so excited that
the tank moved and he
fell in the sink.

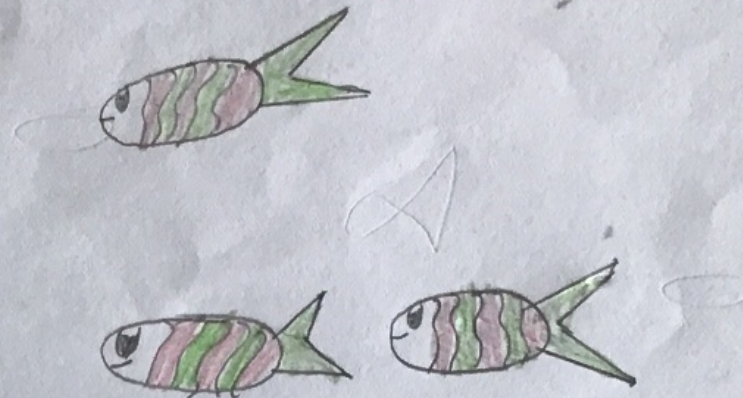

Il y avait trop de tuyaux
et Billy ne savait pas
quel chemin prendre .
La chatte lui dit que
c'était à gauche .

There were to many
pipes . Billy didn't know
where to go . The cat
told him to go left .

Enfin il se retrouva dans
l'océan ,Il était si content .

Finally he was in the
ocean, he was so happy.
