THE LITTLE FISH WHO WAS DREAMING OF FREEDOM

By Maximo, Lucas and Pharrell

Il était une fois, un petit poisson dans un bocal qui rêvait de liberté. Il y avait un vieux poisson qui lui raconta comment était l'océan.

Once upon a time, there was a little fish in a fish tank who was dreaming of freedom. There was one old fish who was telling how the ocean was .

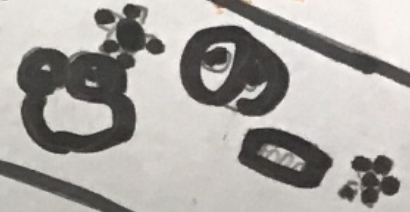

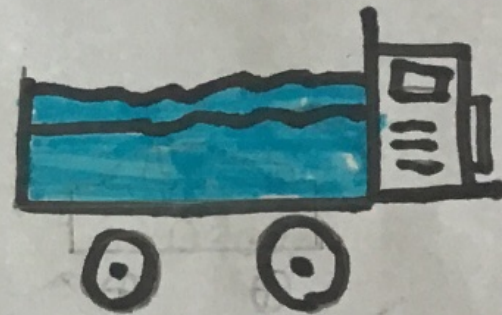

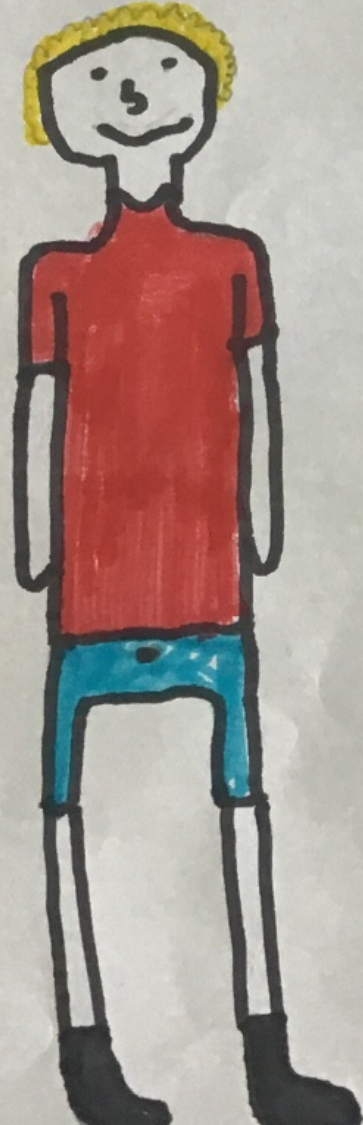

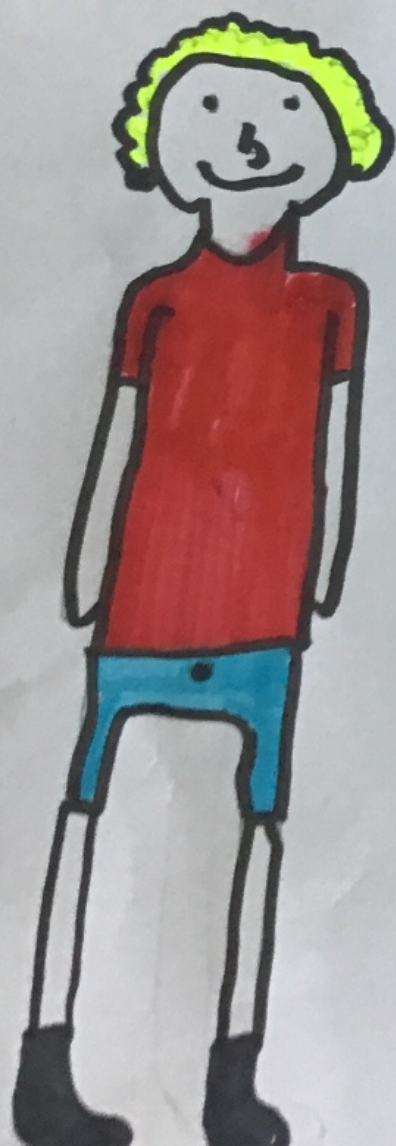

Un jour, le petit poisson
décida de sauter dans
l'évier pour rejoindre
l'océan

One day, the little fish
decided to jump into
the sink to go in the
ocean.

Mais le tuyau avait
deux parties ,une qui
était fermée et l'autre
qui était remplie de
déchets en plastique.
Heureusement , un
enfant arriva !

But there were two
parts in the pipe : one
was closed and the
other was full of plastic
waste . Fortunately,a
child came

L'enfant vit que le petit poisson était en danger danc Il le prit le mit dans son Camion rampli d'eau et l'emmena dans l'océan.

The child saw that the little fish was in danger so he took into the truck full of water and brought to the ocean.

Et le petit poisson, fut
finalement libre
comme Il le voulait
dans l'océan

And the little fish was
finally free like he
wanted in the ocean
